

MILLER'S
ALE HOUSE

UNITED IN THE WAR AGAINST VETERAN SUICIDE

**Join Miller's Ale House in supporting
Mission 22 from now until June 8, 2019.**

**For \$2.00 you can purchase a dog tag to
color and be hung in our stores.**

The \$2.00 will go directly to Mission 22 to support veteran's services.

- Suffolk & Nassau Counties are home to the largest veteran population in NY State.
- Today, over 20 U.S. Veterans will be lost to suicide.
- Veteran suicide is more fatal than all global combat missions combined.
- Mission 22 support goes directly to veterans to help with PTS, TBI and other issues directly affecting our community!

**On Saturday, June 8, 2019 at Gardiner County Park in Bay Shore, NY,
Mission 22 along with Miller's Ale House and other local business will
be sponsoring The 3rd Annual Dog Tag Run, a 2.2 mile run/walk to help
assist the charity and support our local Veterans.**
